Why be close to one beach if you can be close to many? This lovely home is strategically located in the fishermen's village of Venado. It is just 10 minutes away from many breathtaking beaches such as Venado, Lagarto, Marbella and Negra among others. This property has over 6000m² (1.5acres) of land and a living area of 210m² (2250ft²). This home has it all. This unique gem has 4 bedrooms and 3 baths. It features a lovely ocean view, a swimming pool, comes fully furnished, has a large terrace at the pool and balcony on the second floor, and it is completely surrounded by nature with lots of wildlife literally in your backyard. Casa Tranquila is only a 30 minute-drive to all the amenities that Tamarindo and Santa Cruz have to offer and yet, fortunately, it is away from the crowd in an authentic setting where you can really enjoy the Gold Coast's lifestyle at its best.
